Perinatal Outreach Education Program
A Regional Perinatal Program of California
Supported in part by a grant from the
State of California
Maternal & Child Health Branch
Department of Health Services.

The Perinatal Multi-Cultural Coalition is delighted to bring to you: Part I in a series of 2 educational seminars focusing on Women's Health.

Program Objectives:

- 1) Participants will become familiar with the environmental links to cancer and other diseases.
- 2) Participants will become familiar with the public interest in chemical policy reform in California.
- 3) Participants will learn simple steps to protect your family and your health from toxins.
- 4) Participants will learn ways to get involved with efforts to create a safer environment for all of us.
- 5) Participants will become familiar with Biofeedback , Imagery and Relaxation techniques.
- 6) Participants will learn simple relaxation methods to incorporate on a daily basis to help reduce stress.
